

Florida Retirement Maintenance Free Homes

Affordable maintenance-free villas. Elegant, functional single-story homes. We've got something for everyone!

Regardless of your choice of model, our villas come equipped with huge spaces for entertaining, state-of-the-art elegant kitchens built for function and fashion, and luxurious master bedroom suites with bathrooms that make you feel like you have arrived!

Both models of our maintenance-free villas offer numerous standard features and options, including under-roof screened verandas, concrete block construction, two-car garages, walk-in closets, great rooms, elegant dining areas and a wealth of additional upgrades to make your home truly your own. And you own the land!

Vienna Square's maintenance-free villas are perfect for you! Choose from the Symphony or the Sonata floor plan featuring:

Single-story living

Concrete block construction

Two-car garage

Covered porch (Symphony only)

Walk-in closets

Master bedroom and bathroom suite

Guest bedroom and bathroom

Family room and dining room
