

## Lifestyle

There IS such a thing as perfect retirement living and you&rsquo;ll find it at Vienna Square.

### Lifestyle.

Vienna Square offers so much more than just great homes and maintenance-free Villas (with countless options to make them your &lsquo;own&rsquo;). Here we offer you all the privileges of resort-style living in an exhilarating community of neighbors and friends. From our clubhouse to our pool to our Jacuzzi to our organized community activities, Vienna Square&rsquo;s worry-free lifestyle is designed to keep you active, engaged and young at heart. ### Location.

Perfect retirement living demands the perfect location . . . and we found it in the heart of Central Florida. Located in the charming city of Winter Haven, we&rsquo;re close to virtually everything: Great restaurants, shopping, challenging golf courses, fishing, boating, water sports and so much more. How about a stroll on white sandy beaches? We&rsquo;re just 65 miles from either of Florida&rsquo;s beautiful coasts. Professional sporting teams are also nearby, as are some of the world&rsquo;s most famous theme parks.

### Luxury.

Our lifestyle is designed to pamper. Forget about cutting the grass. At Vienna Square, we take care of many of the headaches that come with home ownership. We think it&rsquo;s about time you concentrate on maintaining your health and well-being &ndash; not your home.
