

Community Benefits

A Continuing Care Campus . . . The Best of All Worlds.

Vienna Square is truly unique because it features BOTH a Continuing Care Campus AND an Active Adult and Retirement Community all in one integrated site. In short, this means we offer seniors and mature adults the best of everything: Active, worry-free independent living in your choice of single-story homes, maintenance-free villas or apartment-style homes, as well as assisted living, skilled nursing and memory care. The term continuing care campus quite literally means you can enjoy an exciting lifestyle when you're active and independent. However, should your health needs change, Vienna Square offers the UNIQUE ADVANTAGE of offering you the CHOICE of either RELOCATING within our Campus/Community to get the care you need OR you can have those services DELIVERED to your home or villa via a comprehensive ala carte menu. It simply doesn't get any better than that!

In summary, our Continuing Care Campus:

• Offers Security and Peace of Mind

• Provides a Real Sense of a Supportive Community

• Eliminates the Need to Move Should Health Needs Change

• Allows Couples to Remain Together should either of their Health Needs Change

• Provides Continuity of Care, Staff, Management and Company Philosophy
